

Personal Information

Name: Zaki Aaron J. Tolentino

Age: 21

Status: Single

College: St. Dominic College of Asia

Hobbies: Cooking, Playing, Coding, Sports, Watching Esports

Objective

To leverage my skills as a professional Valorant player and web designer to contribute to exciting projects while continuing to develop my expertise in both fields.

Experience

Valorant Pro Player

As a pro Valorant player, I have developed advanced gaming strategies, team collaboration skills, and quick decision-making abilities. I actively compete in tournaments and stream my gameplay to engage with the community.

Web Designer

I have experience in designing user-friendly and aesthetically pleasing websites. My skills include HTML, CSS, JavaScript, and familiarity with various design tools. I focus on creating responsive designs that enhance user experience.

Education

Currently pursuing a degree at St. Dominic College of Asia, where I am gaining a strong foundation in both technology and design principles. I am involved in various projects that enhance my learning and practical skills.

Skills

- Advanced gameplay strategies in Valorant
- Proficient in web design and development
- Excellent teamwork and communication skills
- Strong analytical and problem-solving abilities
- Passionate about coding and technology
